September 17, 1999

To whom it may concern:

I would prefer to buy dairy products from cows not treated with rBGH. Without a national policy on rBGH labeling it is impossible for me to make an informed choice. I urge you to adopt definitive national guidelines regarding rBGH labeling which should be adhered to in all fifty states.

Dairy product containers should indicate whether or not the product contains rBGH.

Thank you,

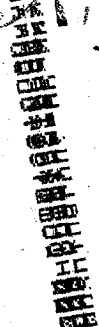

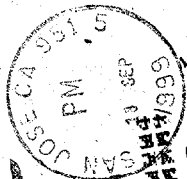

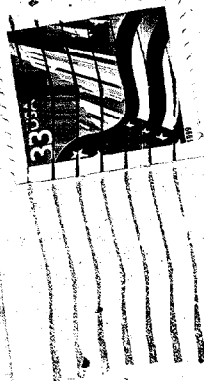

Grace Breyley
